

Embracing Growth and Community in 2024

Season's greetings from
ClinTrial Refer

December is a time for reflection, and we're proud to look back on a year of achievements. ClinTrial Refer continues to forge new partnerships with hospitals expanding access to hundreds more clinical trial opportunities for patients and doctors.

A significant milestone in 2024 was the launch of our first Sponsor App, and we now also support numerous CROs, with access to their client's trials.

In the new year we will be introducing some new hospital apps in Victoria and New South Wales. We look forward to their contribution and participation in our growing community of partners who share in the vision of more equitable access to current clinical trials.

This past year has yielded impressive growth: a 72% increase in the number of health conditions in our database, a 39% increase in participating sites, and an 11% rise in listed trials. The app has nearly 5.5k registered users!

The ClinTrial Refer supporter network is also expanding. Supporters are vital to raising awareness of ClinTrial Refer, they are a powerful resource for increasing reach and access to life-changing clinical trials for people that might need them. We extend our gratitude to all our supporters for their assistance.

We look forward to the year ahead and delivering increased transparency and on demand access to currently recruiting clinical trials.

Christmas Hours

The ClinTrial Refer team will take a break over the Christmas New Year period and the office will be **closed 25 Dec 24- 8 Jan 25**. Emails will not be checked in this time.

We hope this holiday season brings you and your family peace, joy, health and happiness.
