November Newsletter 2024

Novotech Joins ClinTrial Refer

We are very pleased to welcome Novotech to the ClinTrial Refer community!

Founded in 1997, Novotech is a global full-service clinical Contract Research Organization (CRO) focused on partnering with biotech companies to accelerate the development of advanced and novel therapeutics at every phase.

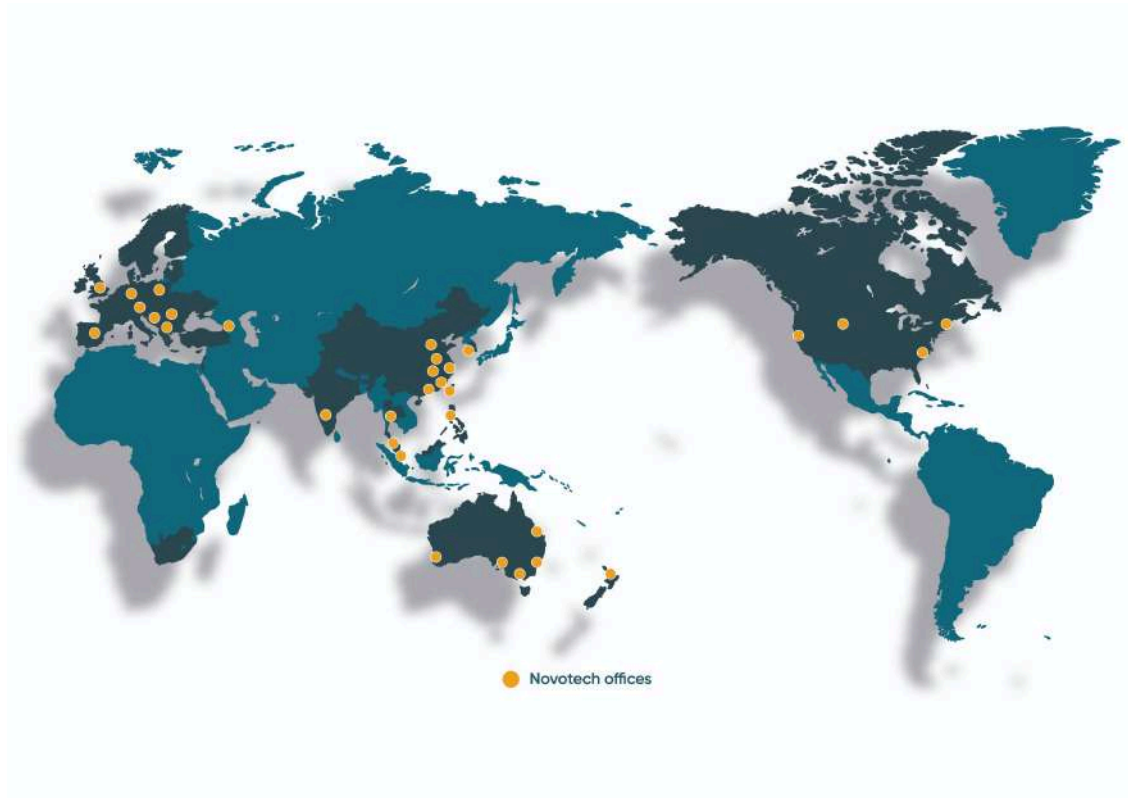

Recognized for its industry-leading contributions, Novotech has received numerous prestigious awards, including the Frost & Sullivan 2024 Global Biotech CRO of the year award, Clinical Trials Arena Excellence Awards 2024, 2024 Employer of Choice, 2024 Great Place to Work in the US, 2024 Brandon Hall Gold Award, CRO Leadership Award 2023, the Asia Pacific Cell & Gene Therapy Clinical Trials Excellence 2023, the Asia-Pacific Contract Research Organization Company of the Year Award since 2006.

The Company offers a comprehensive suite of services including laboratories, Phase I facilities, drug development consulting, regulatory expertise, and has experience with over 5,000 clinical projects, including Phase I to Phase IV clinical trials and bioequivalence studies. With a presence in 34 office locations and a dedicated team of 3,000+ professionals worldwide, Novotech is a trusted end-to-end strategic partner of choice.

For more information or to speak to an expert team member visit www.Novotech-CRO.com

Novotech is committed to helping improve access to clinical trials, and partnering with ClinTrial Refer provides an avenue to support communication of trials for Novotech clients.

Novotech is the first CRO to join the rapidly growing ClinTrial Refer community and we applaud their efforts to support research sites and clinicians and patients with access to current clinical trial opportunities.

Trial Spotlight

Trial Spotlight

On average 28 trials are listed in the ClinTrial Refer database every month

We aim to highlight some of these in our newsletter each month

Search CTR website

Listed below are just some of the studies available in the ClinTrial Refer platform. You cant contact the sites direct or click on the ClinTrial Refer link to view study details.

HAVE YOU BEEN DIAGNOSED WITH ALCOHOL-RELATED LIVER DISEASE?

DO YOU WANT TO TAKE BETTER CARE OF YOUR LIVER HEALTH?

Did you answer yes to the above? Consider joining the [NN9500-7730](#) study, which will evaluate investigational medicines to understand how they can be used to treat **alcohol-related liver disease**. As part of this clinical trial, you will receive up to 39 weeks of expert medical care and support to **reduce your alcohol consumption** at leading healthcare facilities.

You can also learn more about this study on the ClinTrial Refer website [here](#).

Enrolling Your Interest

Unsure about how to enrol your interest for trials in the ClinTrial Refer App? Check the 'Other details' section as this will advise if the study accepts self referral or if a GP or specialist referral may be required. Simple!

Open the trial, and click on "Other Details". This will tell you more about the trial's preferred enrollment methods.

"How to Enrol?" will inform you whether you can self-refer, or whether a GP or Specialist/Surgeon referral is required.

Do you have something to share?

Share your story if you have taken part in a clinical trial or supported someone through a trial. Your stories and thoughts are important to us and can be a great encouragement to others. If you'd like to share a clinical trial story please email us at admin@clintrialreferapp.com. We'd love to hear from you.
